

Puorte 'e calzone cu nu stemma arreto
Na cuppulella cu 'a visiera aizata
Passa scampanianno pe' Tuledo
Comm'a nu guappo, pe' te fa' guardà

Tu vuo' fa' l'americano
'Mericano, 'mericano
Sient'a mme chi t' 'o ffa fa
Tu vuoi vivere alla moda
Ma se bevi whisky and soda
Po' te siente 'e disturba

Tu abball' o' rock'n'roll
Tu giöch' a baseball
Ma 'e sorde p' è camel, Chi te li dà?
La borsetta di mamma

Tu vuo' fa' l'americano
'Mericano, mericano
Ma si' nato in Italy
Sient' a mme, nun ce sta niente 'a fa
Ok, napulitan, Tu vuo' fa' l'american
Tu vuo' fa' l'american

He's in the land where anything can happen
Reach for the stars and grab that golden ring
Dressed like a rootin' tootin' Texas cowboy
But this lone ranger's never seen a horse

You wanna be Americano! Americano?! Americano!!
So ya think you're pretty slick?
You wanna be all 'alla moda' But you drink 'whiskey e soda'
Then you're feeling pretty sick!

You dance-a rrock 'n' rroll You play-a base-a-ball You smoke your 'Marlboro'-
So yeah we know, How ya spend ya momma's dough!

You wanna be Americano! Americano!! Americano!!!
You're as Italian as the Mob!
So capisce: you gotta understand- You're Ne-a-pol-i-tan
And you ain't american And you ain't american
